1. Joy if I'm sad, health if I'm sick, wisdom when things are complicated.  
Love if I hate, hope if I'm down, a friend when I need someone to talk to.  
Oh, God, you give me what I need every day, 'cause I live in the light of the Lord.
2. Clothes if I'm cold, strength if I'm weak, peace when my heart is in trouble.  
Guidance and help, solutions in time, I wait till you come and set me free, Lord.  
Oh, God, you give me what I need every day, 'cause I live in the light of the Lord.
3. You are the way, you are the truth, you are the shelter I can run to.  
You are the king, you are the rock, you are the life, you are my saviour.  
Oh, God, you give me what I need every day, 'cause I live in the light of the Lord.
4. You are so good, you are my friend, you are the one my heart desires.  
Oh, God, you give my what I need every day, 'cause you love me and love me again.
